Notes from the Board Meeting

The following are NOT the official minutes of the meeting. Only notes that the editor took. Some boring details and information related to money were left out, but this should not be construed as censorship or political omission. Give the editor a call if you want to see all of the notes.

Please note!

The november Board Meeting has been moved to Wednesday, November 7 to avoid conflicting schedules relating to the national election on Tuesday.

VP Rob Hensel

Thirty-six people participated in the 900 Round shoot, which is the most people in five years.

VP of Hunting, Art Art Almquist -

Art reported that the stated goal of the Humane Society was to outlaw hunting in all fifty states.

(It should be noted that a check with the website of the Humane Society of the United States could neither confirm or deny this.)

Membership Renewal

Yeah, it's that time of year again. You know what else is coming up? The dreaded gift giving season. What's the perfect gift for that archer in your life? Perhaps a year's membership at San Francisco Archers? Just a suggestion.

We'll be sending out renewal notices for 2013 starting in November.
