Mark Smith will have a presentation on **Saturday 8/10th between 10am to 2pm** which includes an in-depth talk & demonstration bringing folks through the crafting techniques, physics and theory behind making several types of longbows.

Mark has taught at the Buckeye Gathering the past 3 years & runs on-going archery workshops in Santa Rosa. He doesn't make bows and arrows for sale like a store but rather, offers free crafting & training for all ages. He is a certified instructor NFAA level 2, a member of 3 archery clubs and countywide archery projects leader for Sonoma County 4H.
