### President's Message

Summertime is quickly drifting away in the rearview mirror. I'm writing this on the eve of Tyler's first day of Kindergarten and I'm finding myself wondering, "where did the time go?" The very beginning of August was absolutely insane preparing for the One Million BC tournament. We hosted over 300 archers on the first weekend in August and it seems that all the hard work and

dedication of countless volunteers paid off. I personally thank each and everyone one of you who did your part in helping our club pull off another successful shoot. YOU ALL KNOW WHO YOU ARE. I am so proud of my Board of Directors who spear-headed countless tasks and projects, independently recruiting their team of warriors who performed multiple tasks necessary for this shoot.

Here's a few comments/feedback we've received regarding the shoot:

*It was a wonderful shoot. Weather perfect. Nice to get out of the valley heat! Thanks for the efforts of everyone that made this happen.*

*Thank you San Francisco Archers for a great shoot !*

*Thank you for such a fun shoot. We enjoyed ourselves. It was one of the best shoots we have been to. Great targets, food, and very well organized. You guys should be proud!! Thank you.*

*This was my first big shoot came with my grandpa from lodi bowmens club must say I had a blast!*

### **JIM ROBISON** | (Range Emperor :) *Range Captain*

Well, the B.C. Shoot is finished and it would seem it was a resounding success. The range was in excellent condition thanks to the many workers who took the time out of their lives to prepare the range, targets, club house, registration shack and parking area. These things are what show off the great facility that we are lucky to have and leave our guests waiting to come back for more. I would like to thank all of you from those who raked to target layout the Friday before the shoot as, there were many hours

involved in finalizing things.

I hope to see as many of you as possible at the upcoming work parties through the end of the year because, the more we stay on top of things the easier it is to KEEP things in such great condition.

SOAP BOX time--- those of you who are members and haven't seemed to have found the time to support YOUR club now is the time for you to step up and take some of the load off of those who have worked so hard for YOUR enjoyment (after all your membership requires 3 work parties a year).

If we all work together we can make the range a place where EVERYONE can enjoy themselves and feel as if it is not just a place to work for others enjoyment. So, please do your part.

OK, enough soap box, hope to-- See you at the Range

~Jim .
