### Vice President:

- 3) BC: Need to send 10-11 dinosaur targets to Raglin in Redding for repairs. Need new bale mounts.
  - a. Discussion regarding bale mounts vs. paper targets for targets that are 30 yards or less. Many compounders prefer shooting spots on paper targets.
  - b. Jim/Lori will take an exit poll after this year's BC shoot to determine if the shooters prefer bale mounts or paper targets for next year.
  - c. Average cost for repairs, bale mounts, trailer rental, fuel, etc. will be around \$5k. Jack made a motion to allocated \$5500 for BC repairs/targets/travel. Billy seconded. Passed. Will bring the recommendation to the members at the General Meeting on 4/11 to vote for approval of the expenditure.
- 4) Yardage markers update. Using mortar/cement to affix the markers to the stakes will not work. They will crack. Need a different way to mount the markers. - 3) Use of Outreach/JOAD Equipment by members. Continuation of discussion at March meeting.
  - a. Lori wrote to the insurance company to find out if SFA can or cannot have loaner equipment for members' guests. The insurance company stated that SFA is covered by the insurance if members use the equipment, as long as it is in good working order.
    - i. Johnathan Kuhn commented that SFA needs a letter from the Insurance company confirming this coverage and a certified copy of the insurance policy.
    - ii. Need written procedures. Bea wrote up a draft for review.
  - b. Billy made a motion to allocate \$750 to buys bows and accessories for use by the membership. No one seconded the motion. Motion died.
  - c. Board continued to discuss pros and cons. After much contentious discussion, Jack made a motion that 'SFA has a policy that it does not rent, loan or sell equipment to members or the public. Equipment is for private, scheduled Outreach/JOAD events only'. Bea seconded the motion. 5 yes votes. 4 no votes. 1 abstention. Motion passed.
